OIPP Leadership Team Update

- There were several changes to the action group chairs. Nikesha Yarbrough will serve as the new co-chair to the PDAAG, Nichole Hodges will serve as the new co-chair of the CIAG, Sue Morris will serve as the chair for the Data Action group and Dara Bakes will serve as the chair for the Evidence Based group.

- Kelly Metcalf left her position and will no longer be part of the OIPP. Denise Franer was elected to serve as the OIPP chair-elect.

- Bylaws/Terms of reference for the OIPP have been finalized and were sent out electronically to the members.

- Members were reminded to fill out the DAG data needs survey.

- Members were reminded that the membership renewal survey needs to be completed by March. Members who do not renew will be removed from the official OIPP roster and email list.
- Christy reviewed state health improvement plan (SHIP) that is being developed by ODH. She noted that eleven health priorities have been identified including injury. VIPP staff will be identifying key stakeholders who will assist in the development and implementation of this plan.
- The Midwest Injury Prevention Alliance has identified two priorities: Falls Among Older Adults and Prescription Drug Abuse. MIPA will hold its second annual summit on May 21st and 22nd. More information about this will be posted on MIPA website.

Stragic Planning Update

- Per the CDC Core Funding, the OIPP is required to select two policy priorities and program interventions. Christy reviewed a document highlighting the selected policy priorities, programmatic activities and evaluation measures selected by each of the injury action groups. She explained that the Evidenced Based Group, the Policy Action Group and the Data Action Group will serve as a resource and support for our three Injury Priority Areas: Falls in Older Adults, Child Injury and Prescription Drug Abuse.

Action Group (AG) Updates

Infrastructure-Level Groups

Data Action Group – Matt Falb reported that the new co-chair for the DAG is Sue Morris. He reminded members to fill out the data needs survey. The DAG members really want to serve as a resource to all of the groups. He noted that Cindy Penn and Anne Goodman came to their last meeting and discussed how the use of data can support the needs of the Falls Coalition. He also explained the PDAAG has already attended one of their meetings and he hopes the CIAG will allow them to assist also. The DAG plans to meet on April 19th and are hoping to have a presentation on census data and also a speaker from Ohio Child Fatality Review Program.

Evidence Based IPAG – Cindy Penn reported that the evidence based group will now be chaired by Dara Bakes. Dara shared that the Evidenced based group will continue its focus on supporting the other action groups. She also noted that the recent evaluation training by Dr.'s Gielen and Fowler from the John's Hopkins School of Public Health in December was well attended and highly rated by participants. Materials from that training are available on the OIPP web site: http://www.healthyohioprogram.org/VIPP/OIPP/Eval2011.aspx.

IP Policy and Advocacy – Lisa Pardi reported that the OIPP 2012 Policy Makers Guide is finalized and should be printed by March or April. Their coalition is hoping to establish a "strike team" to hand deliver to decision makers. They are also working on a putting together an online toolkit. They are hoping to provide policy training in the fall of 2012. The group will meet by conference call either late February or early March.

Priority Injury Action Groups

Prescription Drug Abuse Action Group – Nikesha Yarborough and Judi Moseley reported for the PDAAG. They explained that things are moving forward with the Governor's Opiate Cabinet Action Team (GOCAT). GOCAT is comprised of four work groups that will address prescriber education, treatment, public messaging and law enforcement. ODH is leading the prescriber education group. Judi explained that ODH will be funding a Naloxone distribution program in Scioto County. She also informed the group of OACBHA's Opiate Summit which will be held on May 7th and 8th.

Child Injury Action Group – Nichole Hodges reported for the CIAG. They have identified their priority areas (Teen Driving, Bike Helmets, Infant Safe Sleep, Child Restraint and Sports Related TBI) and are working on action plans. They are working on member recruitment and an online management tool will be up and running soon. The Ohio State University is still assisting them in developing the online management tool.

Ohio Older Adults Falls Prevention Coalition – Susan Sutherland reported that the Falls Coalition is hoping to offer two trainings in 2012, Tai Chi and Stepping On. The Coalition had identified its top policy priority, a state income tax credit to promote home modifications and livable homes. Their next coalition meeting is March 1, 2012 at Ohio Health.

Advisory Groups

Membership and Outreach – Judi reported we have added over 40 members since the last meeting. She encouraged everyone to promote the OIPP and to utilize the membership PowerPoint to assist in increasing our membership.

Member Education – Jolene reported that the group will be planning for the May OIPP and welcome any suggestions for a member highlight.

Data Update

Lisa Mills from ODH presented on suicide date from the Ohio Violent Death Reporting System (OH-VDRS). Her powerpoint presentation is available on the OIPP web site: OH-VDRS.

Member Highlight

Carolyn Givens from the Ohio Suicide Prevention Foundation presented information about suicide prevention and awareness. Her powerpoint is available on the OIPP website: Ohio Suicide Prevention Foundation
